Venmo - @Westside-BenevolentCircle indicate that it is for MCAF

You can also mail your monetary donation to:

Mansfield Community Assistance Fund
c/o West Side Benevolent Circle
P.O.Box 506
Mansfield, MA 02048

In a cooperative effort by West Side Benevolent Circle, Town of Mansfield Council on Aging & Social Services, Mansfield Bank, and Mansfield Electric, a charitable donation fund has been established to provide financial assistance directly to Mansfield residents who are struggling to pay for their energy bills.

In difficult times, families struggle to pay for heating, energy and utility costs due to loss of employment, unexpected healthcare costs or serious illness. The creation of this fund is unique in two ways. First, it will help those who are not income eligible for state and federal funding programs. Second, it will be completely funded by Mansfield residents for Mansfield residents. With the assistance of all involved, all donations will go directly back to the community.

Donation envelopes can be found within Mansfield Electric customers billing statements periodically throughout the year. We encourage people to be as generous as they can and know that all donations will directly help those in Mansfield who need assistance.
